I DID, HOWEVER MANAGE TO GET 2.25 GRAMS AND SOLD IT TO HER FOR \$10.00. IN 2003 THERE WAS A WARRANT ISSUED FOR MY ARREST IN CHARITON COUNTY. IN 2004 I WAS CONVICTED FOR A FELONY. THAT FOOLISH MISTAKE IN MY TWENTIES TRYING TO IMPRESS A FEMALE WAS MY FIRST AND ONLY CRIME OF ANY SORT.

My Criminal record was an once in a lifetime mistake. I was young, but I remember that summer very well. I just finished my soph. year at North Central Community College in Trenton Mo.

I was being heavily recruited by many ~~four~~ universities and colleges. Division one schools to the top Division ~~Two~~ schools. In order for me to obtain a scholarship I had to complete summer school. I ~~attended~~ attended Moberly Area Community College. I also was working night shift at McDonald's. Then in my off time I would hang with friends.

One night some friends and I were hanging on Broadway St. downtown Brunswick ~~Mo.~~ When I notice a pretty young lady pull into Casey's. I walked away from friends to get a closer look at her. When I got to Casey's I approached the young lady. This was around 9:30 P.M. We talked in Casey's ~~until~~ until they close at 11:00. She told me her name was Kim and she was from Carrollton but had a boyfriend in mob and she was 25 yrs old. She said her and boyfriend were about to break-up. She said that sounded interesting. I was really intrigued now. She had a six pack bottles of ~~bud light~~ Bud-light. She opened one and we talked more. Then she left. Weeks go by didn't see her then she pops up out of the blue again we talked. This time "weed" or marijuana was brought up. She said she was wanting to smoke and I asked if I had any. I told her no I didn't. She asked if I could get some for her. Cause she didn't trust people in Carrollton, so I said yea trying to be cool knowing I didn't or couldn't at that time. She asked for 28 grams which is an ~~one~~ ounce. She said she would be back that Friday. Friday comes I friend to give me a couple of grams so I could give to her.

so I didnt look a complete fraud. I got the couple grams she came she picked me up. We went for ride and she asked do you have it. I said not an ounce but I can give you this. She said okay how much. I said no just take it. She said can't do that so I said ten dollars cause that would help me get back in fourth to motherly. She asked next time I came can you have that ounce for me. I said maybe. Then she hiked up her skirt and we made out for a few minutes. Then she said she had to go before things went any farther cause she still had a boy friend. So I said yea I can get that for you. Hoping I ~~could~~ could see her ~~again~~ again. I got off work early on a fri. Came two Brunswick saw my friends and they pulled me over saying that this hot girl was looking for me. So we stood there waiting for her and I was bragging to all my friends how I was bout to hookup with a 25 yrold and I'm only 20. They thought I was lucky so FT boosted my head. So I went found the marijuana again. This time I only got 1 gram and she was looking for 28. I sold it to her we talked for a few. she said she couldn't stay long. I was hurt but it was cool and that was the last time I ever sold her on sold marijuana. This happened in 2000 3 yrs later a warrant was issue for my arrest. I was living in the state of Georgia at the time. I completed playing college basketball. ~~after~~ in 2002. 2003 when I came back to missouri to face my charges.

My activities. Since my criminal record, I have journey from many places playing basketball. I had a lot of looks at the semi-pro level. Rockford Lightening in Rockford IL, Cincinnati Blaze, ~~these~~ these are CBA Teams but went bankrupt. An ABA team the Houston Takers. They weren't able to pay. Then I was 7th out 150 players at a NB OI Team ^{camp} which is the minor league for the NBA.

I worked as a C.N.A for 6 yrs. That ~~has~~ taught me a lot of patient. I worked with ~~behavioral~~ behavioral adults. I coached boys and girls on the ~~elementary~~ ~~level~~ elementary level.

The reason why I want to teach Missouri is cause I would to have kids ~~that~~ experience some of the things I did and teach them they don't have to do things to try and impress other people know matter who it is. Cause a couple of small mistakes could haunt you for the rest of your life.

To Whom It May Concern,

I am a parent of a student at Brunswick R-II and a citizen of Brunswick, MO. My professional background has been an investigator of child abuse and neglect for the State of Missouri. This letter is being written in strong support of Willard Winn.

Last year I had a chance to sit in the stands with Mr. Winn. He was there to watch his nephew play. I was so impressed by Willard's passion for the game of basketball. He was there supporting his nephew from the bleachers. I approached Willard about coaching a girls YMCA basketball team. He accepted and led our girls' team. Willard has volunteered a lot of time to this group of girls and has taught them so much about being a great athlete on and off the court. I am deeply thankful to him for this. Once the YMCA games were over Willard continues to work privately with my daughter to improve her skills. I really feel that he is responsible for her growth. In the last year I have witnessed Mr. Winn share his knowledge and passion for the game of basketball.

The community of Brunswick needs more role models like Mr. Winn. He has for sure made a difference in my daughter's life as well as other children in our small community. I strongly support Willard Winn.

Sincerely,

Amy Sims

To Whom It May Concern:

I am writing this letter on behalf and in support of Willard Winn Jr. As a parent, I have observed Mr. Winn in volunteer coaching. He has a patience with the children and a passion for the game that radiates on to his players. Mr. Winn works hard with each child no matter their skill level and motivates players in positive ways. He has the gift of making positive connections with children that he works with and I have no doubt that he would be able to have that same impact in the classroom.

Mr. Winn has been an asset to the basketball programs in our small community. He has invested himself in developing the skills, confidence and determination of our children to not only make them stronger players but to make them stronger individuals.

I believe that Mr. Winn is a fine example to our youth of someone that has made mistakes but worked hard to turn their life around. In my opinion those are also the lessons that we need to teach our children. People have the opportunity to rehabilitate themselves and deserve opportunities. Mistakes that are made should not define who we are as individuals. I am in full support and recommendation of Mr. Winn being eligible to receive a certificate in order to teach our youth.

Mr. Winn and his family have lived in our small community his entire life. I trust without a doubt that he has the ability and the motivation to work well with the students and Brunswick R-II Schools and I believe he deserves the opportunity and chance to do such a thing. It would be a disservice to our student population and community for him not be given this chance.

If you have any further questions feel free to contact me at 660-788-2721.

To Whom It May Concern:

I am writing in regard to Mr. Willard V. Winn Jr., who is seeking substitute certification status. I have been in the Brunswick R-II School District for the past seven and a half years and have come to know Mr. Winn during that time.

During my tenure, I have watched Mr. Winn work with many of our students in non-school related sports activities. He has become a true role model for many kids. Mr. Winn teaches the value of hard work, honesty and moral integrity. The parents and community truly respect and admire his work. Most of all, they trust him with the care of their children. Many parents arrange for Mr. Winn to provide their child with individualized instruction. They are very thankful for the time and effort spent with their children.

Thank you for considering Mr. Winn's application for sub certification. If I can be of any further assistance, please feel free to call me at (660) 548-3550.

Respectfully,

Robert Kottman

To Whom it May Concern:

As the junior high and high school principal for Brunswick R-II, I want to offer my full and unwavering support for Willard Winn, Jr. He is an active member of the Brunswick community and has grown into a stellar role model for youth in this area.

Mr. Winn graduated from Brunswick R-II, and after attending college, moved back to Brunswick and became an active member of this community. He coaches several YMCA basketball teams and helps instill the value of sportsmanship and hard work. Willard has dedicated his adult life to inspire kids to become better – better players and better people. Life is a learning process and hopefully the desire to be better is never impeded.

When my own daughter is old enough to participate in organized basketball, it is my wish that Willard Winn, Jr. will be there to help mentor and inspire her. I believe that is one of the greatest compliments I could give anyone. He would be a tremendous asset to any school district. Don't hesitate to contact me if you have any questions.

Sincerely,

Cara Engelbrecht

To Whom It May Concern:

I'm writing to you on the behalf of Willard Winn, Jr. Mr. Winn was the Coach for our YMCA basketball team for Brunswick 7th and 8th grade girls. He took time out of his schedule and coached the girls. Needless to say we didn't have any other offers from anyone to volunteer their time to this for these young ladies. Mr. Winn stepped right up and worked with these ladies and was a very positive role model for them.

I've been involved in sports my entire life, my dad as a referee, myself as a player, and now my children being actively involved. I'm proud to say that I have never seen a person or coach with this much compassion and love for teaching young children in quite sometime. Mr. Winn is patient, positive, and has a way of speaking to these young minds that they understand.

Mr. Winn has worked with my children Rylee (age 12) and Bryant (age 9). He has been at open gym with them and he has taught them more than skills and plays. What Mr. Winn has done for Rylee is down right remarkable. Rylee lacked confidence and in the past has been given a hard time about her size. Rylee now has more confidence and isn't hard on herself because of her size. As of right now Rylee is playing Jr. High Basketball and in practice she is keeping up with the other girls. Willard doesn't realize it, but he has helped her gain more self confidence and that is priceless to me as a parent. Rylee has had several coaches throughout the years and not one of them has impacted her the way Mr. Winn has. The other coaches treated her as if she was just another over weight child, with no likelihood of having any talent. However Mr. Winn's words, actions and compassion are simply amazing. It's not just my children that he's had a positive impact on, there are several others as well. I can say this, he is not there for a paycheck because there isn't one, he's there because he wants to be and that is hard to find these days. People lack dedication but not Mr. Winn. What a positive role model for our youth he has been.

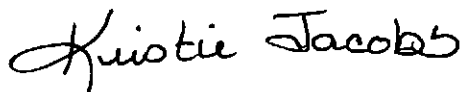

Mr. Winn attends sporting events and while you hear others in the stands yelling at the refs, players, and or coaches which aren't showing the best sportmanship. I guarantee Mr. Winn isn't one of them, he doesn't nor wouldn't say anything negative. He cheers for the teams in a positive manner and for other spectators he's a role model as well.

Mr. Winn is down right a good guy. He would be a great addition for the Brunswick School District and I'm a proud supporter of this young man. He has made a positive impact on my family and I believe he would do this with every family and child he comes into contact with.
